## November 2010

### Participation

I took part in the first V.W.D.L. tournament of the year, the Irene Hornosty Memorial shoot which took place on Oct. 17<sup>th</sup>. It was fantastic to see so many new players participating in this event, and even better so many of the veteran players assisting the new players with helpful tips and support. I especially give kudos to Mandy whom I overheard assisting her partner with helpful suggestions, helping her with her finishes and offering tons of encouragement!! Congratulations to Mandy and Jeannine on their 1<sup>st</sup> place finish! Remind all players of our other upcoming events and remember the Christmas triples is a great tournament for players of all skill levels to come out and have fun!!

## The Last Laugh

I was at a match the other night and was in a rough pub when a middle aged couple came in and saw the darts match going on. The man said "Let's watch the professionals playing darts."

I replied "We are not pro's but a lot of the women watching this game are."
